Workshop C

Teaching about Europe without dividing lines

The focus of the workshop is on exploring the concept of shared histories via selected aspects of European history which have left their impact on the whole European space.

Workshop's materials are part of interactive e-book of Council of Europe "Shared histories for a Europe without dividing lines". Workshop activities with participants will deal with different types of resources and how to use them in classroom for an interactive and innovative history teaching/learning.

Asist. Prof. Bistra Stoimenova (Bulgaria)
