

Europe
for Citizens

International conference

Create Europe in Diversity

April 9th, 2016

Vilnius

Workshop G

Europe between the Local, the National and the Global

Participants of the workshop will see examples from Latvian experience, dealing with identity in relation to national, European and global history. The examples used in the workshop will touch upon a variety of topics: South African Anti-Apartheid Movement and political participation, migration in the Baltics before WWII and Riga Ghetto.

Mag. Danute Grīnfelde (Latvia)
